**To our patients who have Aetna, United Healthcare and
Blue Cross Blue Shield**

It has come to our attention that there are some plans within Aetna, United Healthcare and Blue Cross Blue Shield that do not follow the same well-child care visit schedule that we do. Please ask the receptionist for a copy of our schedule and compare it to the number of well-child visits per year your insurance company will cover. Payment for any visits not covered by your insurance company will be your responsibility.

As all insurance plans differ, it is the insured's responsibility to know his/her plan's coverage.

I acknowledge that I have read and understand the notice above.
